SENATE BILL

No. 473

Introduced by Senator Cox

February 21, 2007

An act to add Section 11006 to the Government Code, relating to state agencies.

LEGISLATIVE COUNSEL'S DIGEST

SB 473, as amended, Cox. State agencies: fingerprinting vendors.

Existing law requires the Department of Justice to establish and implement a certification program in the Department of Justice for processing fingerprint-based criminal background clearances on individuals who roll fingerprints. Existing law requires the Department of Justice to work with applicant regulatory entities to improve and make more efficient the criminal offender record information request process related to employment, licensing, and certification background investigations.

This bill would prohibit a state agency that requires fingerprinting for any non-law-enforcement purpose from requiring the use of specified Live Scan fingerprinting service providers certified by the Department of Justice to roll fingerprint impressions. The bill also would authorize state agencies to identify on their Web sites a list of Live Scan fingerprinting service providers certified by the Department of Justice, and if a state agency chooses to do so, it would be required to provide

a link to the Department of Justice's Web site that lists all certified Live Scan fingerprinting service providers.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
